

Tim Horton's Specialist... Headed up the bookkeeping for family owned group of Tim Horton's restaurants handling all aspects from daily operations including year-end reports to CGA for final submissions.

As a growing company I was responsible for records with access to online banking for vendor payments, PST, GST and corporate tax installments.

I managed all bookkeeping procedures for 4 stores through the company's initial setup and expansion of 4 additional stores to a total of 8.

7 years of service including transition through Tim Horton's corporate re-organization and the various accounting changes.
